Export Importance:

*The U.S. exports five classes of wheat. **Hard red winter** is the United States' number one export by class (38% of total exports). **Hard red spring** is primarily sent to Asian markets. **White wheat** is destined for markets in Asia. **Soft red winter** is exported to Latin America and North Africa. **Durum** is shipped to the European Union and North Africa.*

United States: Spring Wheat (excluding durum)

United States: Winter Wheat
